Charge Station 4-MC

Tough-PAC's versatility as a mobile tablet PC is further enhanced by the Charge Station Management Consul. The CS4-MC allows charging or synchronising up to 4 Tough-PAC units simultaneously using 'Simply-Dock' interface technology.

Intended for teams or busy departments the CS4-MC cradle may be located in any desktop location, even inside a suitable cabinet for added security.

For IT management CS4-MC has its own optimised USB hub that delivers optimal power for charging and allows data management via USB for up to 4 iPad assets at the same time.

Vision

"It reaches beyond the thing that is, into the conception of what can be. Imagination gives you the picture.
Vision gives you the impulse to make the picture your own" Robert Collier 1885-1950
