

Tough-PAC[®]

Wall Mount for Tough-PAC

Tablet Cases

Wherever it may be required the Tough-PAC wall mount can be fixed to a suitable vertical surface.

The wall mount provides charging function when docked and may be rotated in to either portrait or landscape orientation.

The iPad's power supply is conveniently hidden and secured in a shelf behind the face plate. A mains cable is used to provide the power supply.

The sturdy steel construction is coated with anti-microbial paint finish.

Vision

"It reaches beyond the thing that is, into the conception of what can be. Imagination gives you the picture.
Vision gives you the impulse to make the picture your own" Robert Collier 1885-1950
