

# Tough-PAC®

## Personal Digital Assistant

Tough-PAC® PDA is a hard shell anti-microbial case designed for use in healthcare and other tough places. It protects iPod Touch 5<sup>th</sup> or 6<sup>th</sup> generation against work place damage, knocks, fluids and actively inhibits or destroys contaminating harmful bacteria, fungi and moulds.

The convenient desktop cradle, that uses InnerVision Technology's rapid 'Simply-Dock®' technology allows simultaneous charging and/or synchronisation of up to 4 devices at once without plugging in cables.

Tough-PAC® PDA provides protection, convenience, ease of use and low maintenance - peace of mind.

Designed in Hampshire, Made in Britain

## Vision

“It reaches beyond the thing that is, into the conception of what can be. Imagination gives you the picture.  
Vision gives you the impulse to make the picture your own” Robert Collier 1885-1950
