

Fixed Security Options

The security of Tough-PAC as mobile tablet PC is further enhanced by the **new** Kensington 'Clicksafe' anchor points and security cable options, extending the visible [hidden] security by adding a physical barrier against theft.

The security cable set includes all necessary fixings for both a fixed surface or FRT cradle mount solution.

Tough-PAC anchor points available separately if required.

Tough-PAC® Designed in Hampshire, Made in Britain
European Registered Designs 1962978, 20154070 Copy & Design Rights Reserved
